

# THE CARE YOU NEED – WHEN, WHERE AND HOW YOU NEED IT.

Introducing Cigna Telehealth Connection.

## Choice is good. More choice is even better.

Now Cigna provides access to **two** telehealth services as part of your medical plan – **AmWell** and **MDLIVE**.

Cigna Telehealth Connection lets you get the care you need – including most prescriptions – for a wide range of minor conditions. Now you can connect with a board-certified doctor via secure video chat or phone, without leaving your home or office. When, where and how it works best for you!

**Choose when:** Day or night, weekdays, weekends and holidays.

**Choose where:** Home, work or on the go.

**Choose how:** Phone or video chat.

**Choose who:** AmWell or MDLIVE doctors.

Say it's the middle of the night and your child is sick. Or you're at work and not feeling well. If you pre-register on both AmWell and MDLIVE, you can speak with a doctor for help with:

- › sore throat
- › fever
- › rash
- › headache
- › cold and flu
- › acne
- › stomachache
- › allergies
- › UTIs and more

## The cost savings are clear.

Televisits with AmWell and MDLIVE can be a cost-effective alternative to a convenience care clinic or urgent care center, and cost less than going to the emergency room. And the cost of a phone or online visit is the same or less than with your primary care provider. Remember, you telehealth services are only available for minor, non-life threatening conditions. In an emergency, dial 911 or go to the nearest hospital.

AmWell and MDLIVE are only available for medical visits. For covered services related to mental health and substance abuse, you have access to the **Cigna Behavioral Health** network of providers.

- › Go to **Cignabehavioral.com** to search for a video telehealth specialist
- › Call to make an appointment with your selected provider

Telehealth visits with Cigna Behavioral Health network providers cost the same as an in-office visit.

**Together, all the way.®**
